

Celebrate  
NEA's Read Across  
America  
in style with a

**HAT**

just like the Cat's!

Follow the instructions below to make your own hat.

1. Carefully cut out the three hat pieces - the top and two brims.
2. Roll the hat up and tape it so it makes a real big tube that fits your head.
3. Fold the tabs up on the two brim pieces.
4. Put the tube over the brim pieces, and tape the tabs to the inside of the hat.
5. Try on your very own hat for NEA's Read Across America day!

Saturn Retailers join NEA's Read Across America 2006 with free distribution of Cat Hat Posters to Education Association members

Saturn retailers across America will be distributing cat-hat posters in lots of 30 for educators who want to celebrate NEA's Read Across America on and near March 2. With a few careful scissor snips and some well placed tape, the flat poster becomes a three dimensional red and white stove-pipe hat—ala Dr. Seuss' Cat in the Hat.

It is the perfect touch for your Read Across America classroom event.

Education association members may visit any Saturn facility starting February 15 to pick up the posters while supplies last. Visit [www.saturn.com](http://www.saturn.com) to find the nearest Saturn retailer. 30 posters per educator will be distributed on a first come first serve basis. Questions? Call the Saturn-UAW Partnership Team at 800-738-1817 option 1, or email [teacherposters@aol.com](mailto:teacherposters@aol.com). In addition to Saturn, poster sponsors include the United Auto Workers and Random House.
